

14. The Name, address, and telephone of the Owner is:

.....

15. The plot diagram, shown on page 3 of the application or on separate drawings, showing location of all buildings, existing or proposed, together with dimensions from property lines, the surface elevation of front yard at the front wall of the principal building as related to the surface of the street or highway, lot number, street names and type of lot (interior or corner) and lot description is a part of the application.

16. If the final area of the structures is less than the area given in this application, no portion of the fee paid, at the time of the filing of this application, shall be returned or refunded.

17. The title field for the disposal of the effluent from a septic tank shall not be covered until an inspection shall have been made by an authorized person and approved as meeting the requirements of the State Department of Health and the Sewer Use Ordinance of the Village of Lyons.

PLOT DIAGRAM

Locate clearly and distinctly all buildings, whether existing or proposed, and indicate all yard dimensions from property lines. Give identifying information or deed description, show street names and adjacent property owner names.

Indicate whether an interior lot or corner lot. Separate plans or drawings in duplicate of all proposed construction should be filed with this application if space below is not sufficient.

If new structure requiring installation of water and sanitary sewer services, show proposed entrance to building.

Application is hereby made to the Building Inspector-Zoning Enforcement Officer for a Certificate of Occupancy for the occupancy and use of the premises at for which an application for a building permit has been filed.
